Rain Pants

8-13

Sun Curtain

14-17

Rain Pants BLACK

Leokid Rain Pants are for active walks in nasty weather. The baby clothes under the accessory remain clean and dry, and the outdoor playing will bring a lot of fun!

Rain Pants GRAY

The pants fabric is elastic and doesn't hinder the baby's movements. The seams are taped and water-proof.

Rain Pants PINK

Rain pants are made of water-resistant fabric without padding. The accessory is designed for babies of 1.5 to 6 years old. The width of the pants is regulated with the side snaps, providing comfortable fit.

Sun Curtain FANCY RAINBOW

Leokid Sun Curtain is to protect the baby from the wind, bright light and sun. The shape and the fabric of the curtain allow free air circulation inside the stroller, creating comfortable shadow for the baby behind the curtain.

The UVA/UVB protection level is 99%.

Sun Curtain SUMMER CLOUD

Leokid Sun Curtain is made of hypoallergenic 100% cotton.

The diameter of the sun curtain ring is 4 cm. It permits easy fixing of the curtain on most strollers and infant car seats and provides baby's comfortable dream in the bright sunshine.

- Classic 28-39
- Snug 40-45

Raincover CUTE PARK

Leokid Raincover permits to discover the world in nasty weather. It protects the baby from rain, wind and snow.

The big window of Leokid raincover is convenient for mother to seat and to take the baby from the stroller, and for the baby - to observe the world around.

Organizer for Stroller CUTE PARK

Leokid organizer for stroller is to store the most important at hand.

It has 5 pockets to place all is needed for a walk - from baby's care products and toys to mother's belongings. A convenient thermo-pocket helps to keep the comfortable temperature of the baby's meal.

Organizer for Stroller and Raincover VILLAGE

Leokid organizer and Leokid raincover for stroller are perfect accessories for family trips - they are made of strong fabric with water repellent impregnation.

There are ventilation holes 2 cm in diameter on the sides of Leokid raincover - the baby feels comfortable during trips whatever the weather.

Organizer for Stroller and Raincover BEARS

Leokid organizer is easily fastened to every stroller handle and has a belt to carry the accessory in hands or over the shoulder. It looks stylish with Leokid raincover of the same printing.

The raincover fits most strollers with standard canopy, carrycots and second stroller seats.

You can adjust the fit of the accessory by means of two belts on the upper side.

Footmuff for Stroller Classic VILLAGE

Leokid footmuff is for warm and cozy strolls in cold weather. It gives comfort to the baby and protects him from cold, wind, rain and snow.

Hand Muffs for Stroller VILLAGE

Leokid hand muffs for stroller take care of parents hands. With the muffs the parents don't have to touch the cold handles of a stroller or of sledges.

Hand Muffs and Footmuff for Stroller Classic LAMAS

Leokid footmuff is presented in two models - Classic and Snug. The models differ in zipper position and design. Leokid footmuff Classic is for babies since birth till 3-4 years old. The zip is in the middle of the accessory front surface and is protected from wind.

The baby grows up, and the Leokid hand muffs keep taking care of parents' hands - the muffs are easily fixed to any stroller or sledges handles by touch fasteners.

Hand Muffs and Footmuff for Stroller Classic CUTE PARK

Leokid footmuff and Leokid hand muffs are made of hypoallergenic materials of high quality. Outside is long-wearing water-repellent fabric with membrane. The lining is gentle and smooth micro-fleece.

In the foot area inside the Leokid footmuff there is a protection cover with water-repellent coating. It allows to seat the baby into the accessory right in his shoes.

Hand Muffs and Footmuff for Stroller Classic BEARS

With Leokid hand muffs both Mom and Dad feel warm when strolling with the baby - the width of the hand muffs is adjustable by touch fasteners in the cuff zone.

You can use Leokid footmuff in all types of strollers, car seats and sledges, as it has classic form and universal slot system for all types of seat belts.

Hand Muffs and Footmuff for Stroller Classic ANDERSEN

The hand muffs will serve you faithfully for a long time - they are easy to care, stand multiple machine washes and maintain the form.

Leokid footmuff looks especially stylish together with Leokid hand muffs for parents.

Enjoy the big choice of tints and designer printings!

Hand Muffs and Footmuff for Stroller Snug TINT

Leokid footmuff Snug is for babies from birth to 2-3 years old. The zip with wind protection runs along the full length of the footmuff on its sides, the front side is zipped off.

The filling of Leokid footmuff and Leokid hand muffs is modern eco-down, which replicates the structure of down and keeps warmth in frosts reaching $-25-30^{\circ}\text{C}$. It is water-resistant, hypoallergenic, does not pill and does not need special care.

Hand Muffs and Footmuff for Stroller Snug MAGNET

The hood tightening and wind protection of slots and zippers permit to keep warmth inside the Leokid footmuff.

Thanks to the breathable fabric of the Leokid hand muffs parents' hands feel comfortable in the accessories.

Hand Muffs and Footmuff for Stroller Snug SLATE

There are anti-slip elements on the back side of the Leokid footmuff which ensure fixed position of the accessory in the stroller and protect it against slippage.

In order not to leave a muff without its pair Leokid hand muffs are tied by a special fastex closure.

Let the winter strolls be always warm!

Backseat organizer BIG ADVENTURE

Leokid backseat organizer helps to store the young passenger's things in order and protects the front seat from the baby's shoeprints.

Backseat Organizer

FUNNY PLANETS

There are four pockets on Leokid backseat organizer - one big mesh pocket, two pockets for bottles and one small pocket for important little things.

There is also a ring to hang baby's toys. Let the travels be full of joy!

Trip Tray BIG ADVENTURE

Leokid trip tray is the accessory for joyful activities of the main passenger. It is convenient to play, learn and have snacks on it.

The accessory is made of foamed material without rigid inserts, that is why it is safe for the baby even during active movements of the car.

Trip tray fits to most baby car seats. The set of the accessory can be easily adjusted by the belt.

Trip Tray FUNNY PLANETS

Leokid trip tray is equipped with raised edges to keep all toys of the young passenger contained.

The accessory has two pockets on the left side: one for the baby bottle, the other - to store the most im-portant.

Let the travels be attractive!

Car Sun Shade BIG ADVENTURE

Leokid sun shade shields the baby from bright sun and helps to feel comfortable throughout the entire trip.

It protects the young passenger from 80 % of UVA and UVB rays.

Car Sun Shade FUNNY PLANETS

Leokid sun shade is easily fixed to the car window by means of suction pads. It is conveniently adjusted to the necessary length and is quickly rolled up by pressing the button.

The canvas of the car sun shade is perforated, which allows the baby to observe the world around.

Let the travels be comfortable!

NEW

Sun Cap ANIMAL FRIENDS

Leokid sun cap is a must-have accessory for bright summer - it protects the baby from the sun and takes care of his comfortable rest.

Sun Cap **PLAYFUL COLORS**

The sun cap is made of elastic breathable fabric of high quality with UV protection 50+.

Sun Cap TROPICAL FRIENDS

Leokid sun cap fits all strollers with basic canopy. It can also be used with car seats, bouncy seats and flight baby bassinets.

The accessory is easily set and taken off, which is very convenient in travels. A special bag is provided for compact storage of the cap.

Sun Cap LAMAS CAMP

Leokid sun cap is a universal accessory - it also protects the baby from wind, drizzling rain, bright light and curious eyes of passers-byes.

Sun Cap BLACK

When the baby is covered by the cap, he can continue observing the world around through the nets on the sides.

Sun Cap CAPRI PURPLE

Thanks to its adjustable inclination angle the sun cap can be put down to the stroller bar, covering the baby's legs and providing him the oasis of comfort.
